

**REMARKS**

Claims 1, 2 and 14-19 and 22-28 are pending in this Application. Of these claims, claims 1, 2 and 14 are being prosecuted and claims 15-19 and 22-28 have been withdrawn from consideration. By this Amendment, claim 1, 23, 25, 27 and 28 have been amended, and claims 15-19, 22, 24 and 26 have been canceled.

Support for this amendment to claim 25, can be found, for example, at page 50, Example X and at page 52, Example XII. Amendments to claims 23, 27 and 28 were made to make clearer the present invention and not for reasons related to patentability. In addition, the amendment to claim 1 was made to expedite prosecution and to obtain allowance of claim 1, 2 and 14. No new matter is added by any of these amendments.

Applicants also continue to request that upon allowance of any of the product claims, that claims 23, 25, 27 and 28, directed to method of using the claimed product, be rejoined.

**35 U.S.C. §112, First Paragraph, Written Description**

Claims 1 and 14 were rejected under 35 U.S.C. §112, first paragraph, because allegedly the instant Specification does not contain a written description of the invention in such full, clear, concise and exact terms or in sufficient detail that one skilled in the relevant art can reasonably conclude that the inventors, at the time the application was filed, had possession of the claimed invention.

Without acquiescing in the reason given in support of this rejection found at page 3 of this Final Office Action, applicants have amended claim 1 as suggested by the Examiner to obviate this rejection.

Therefore, reconsideration and withdrawal of this rejection to the claims are respectfully requested.

**CONCLUSION**

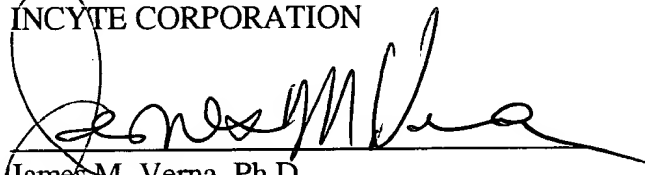

In light of the above amendments and remarks, Applicants submit that the present application is fully in condition for allowance, and request that the Examiner withdraw the outstanding objections/rejections. Early notice to that effect is earnestly solicited.

If the Examiner contemplates other action, or if a telephone conference would expedite allowance of the claims, Applicants invite the Examiner to contact the undersigned at the number listed below.

Applicants believe that no fee is due with this communication. However, if the USPTO determines that a fee is due, the Commissioner is hereby authorized to charge Deposit Account No. **09-0108**.

Respectfully submitted,

INCYTE CORPORATION
